

Chanel

MADemoiselle PRIVÉ COMÈTE

DESIGN

A new comet joins the Mademoiselle Privé collection, which is devoted to the artistic crafts and to the symbols of *Chanel*. Set with ten baguette-cut diamonds and 141 brilliant-cut diamonds, it streaks across a dial of subtly nuanced mother-of-pearl marquetry. It takes some One hundred hours to produce each unique face of this quartz watch, which shows time discreetly by small, off-centre hands inside a star. This lavishly gem-set watch is mounted on a white satin strap.
