

Bovet 1822

RÉCITAL 19 MISS DIMIER

WOMEN'S

Blue is evidently still the colour of the moment, not

least at Bovet where it is synonymous with feminine refinement. Framing a

luminous dial, whose circular satin-finish centre lends an attractive depth to

its deep blue, this small classic watch revisits the elliptical case of the

Récital 9 and 11, its proportions now reduced to ensure elegance and a

comfortable fit in equal measure. A halo of 52 diamonds around the bezel

accentuates its steel contours. The truly romantic will notice the special shape of the hands, which form a heart each time they meet on the dial. On the reverse of this Récital 19 Miss Dimier, an automatic movement with three days of power reserve displays its finely executed finishing, bringing a final flourish to a watch that will win the hearts of the true blue watch connoisseur.
